A STUDENT PERSPECTIVE

“Business studies has really helped me understand the news and what is going on around me”
“This course has made me understand the business world in both theory and practice”

STUDENT SUPPORT

In the Business department we support students in a number of ways including offering revision sessions at lunch time and after school. We use technology to share resources so students can access information 24/7. We offer bespoke support to prepare students for examinations. This involves developing the use of business terminology and examination techniques.

STUDENT SUCCESS

There were a number of successes last year as 14 of the 16 students hit their personal best grade. One student gained a grade A* and went on to study medicine. Other students have continued their education by studying Business, Business Management and Accounting.
