		4. Performance in physical education 60 marks Non-exam assessment (NEA) 30% of total A level	

Post 16 Prospectus: PHYSICAL EDUCATION

Advanced Subsidiary (AS) & Advanced Level (A2)

Examining Board: OCR Syllabus: H155, H555

SUBJECT ENRICHMENT

Opportunities include, trips to Wimbledon, school Ski Trip, Leeds Metropolitan University Sports department and A-level revision courses.

SUBJECT SPECIFIC ENTRY REQUIREMENTS

General entry requirement for Post-16: 5 grade 4/C at GCSE, preferably including English and Maths. Specific entry requirements: Grade 5 in GCSE PE and grade 4 in English. If a sport qualification was not taken in KS4 then evidence of participation in sports will be required.

A STUDENT PERSPECTIVE

Studying A Level Physical Education will give you a fantastic insight into the amazing world of sports performance. Not only will you have the chance to perform or coach a sport through the non-exam assessment component, you will also develop a wide ranging knowledge into the how and why of Physical activity and sport.

WHERE NEXT?

A Level Physical Education is an excellent base for a university degree in sports science, sport management, healthcare, or exercise and health. Physical Education can also complement further study in biology, human biology, physics, psychology, nutrition, sociology and many more.

A Level Physical Education can open up a range of career opportunities including: sports development, sports coaching, physiotherapy, personal training or becoming one of the next generation of PE teachers. The transferable skills you learn through your study of Physical Education, such as decision making and independent thinking are also useful in any career path you choose to take.

DESTINATIONS:

Student 1: University of Edinburgh, Applied Sport Science 2012
