You are seen as more responsible and are trusted with more freedom

The new facilities available to us such as the quiet study area and the cafe

Being able to choose to do the subjects I enjoy

The friendly working environment

The food and the time to study

The relaxed style of working

You are treated like an adult and not a school student anymore

## STUDENT VOICE: THE BEST THING ABOUT 6TH FORM AT IGS IS...?

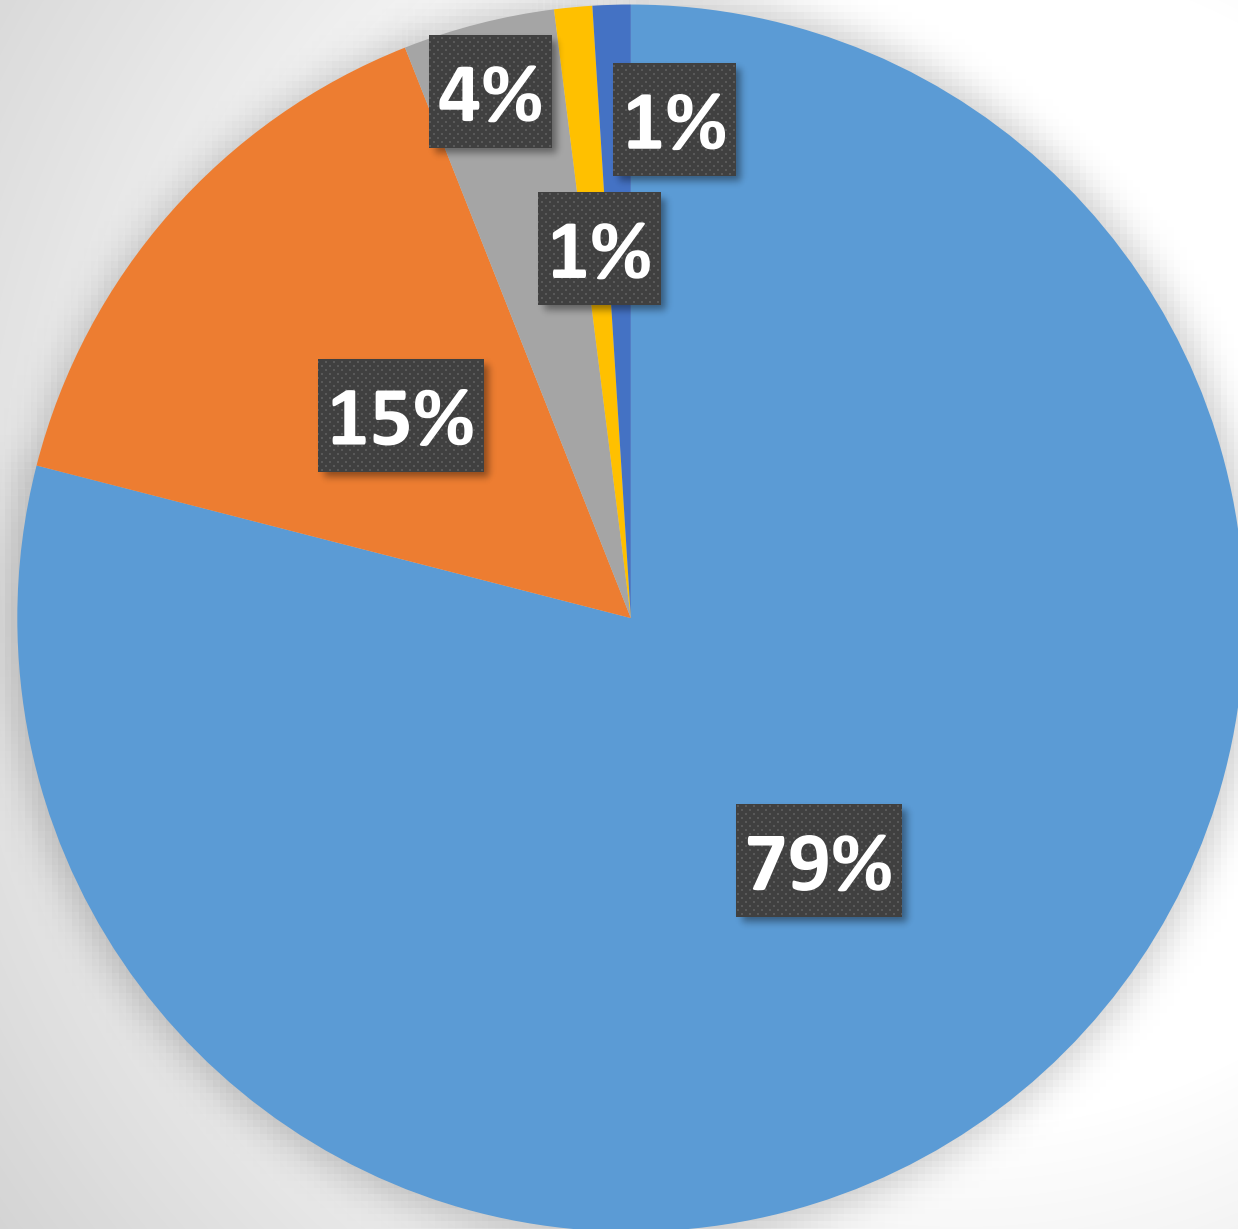

The amount of support on offer

The sense of unity; we are all going through the same experience, therefore we can support each other

The unity and support you receive from other students and staff

How the teachers are always there to help you whatever you may need
