Y10 & 12 Work Experience

By Mrs J Mitchell, Vocational Learning & Work Experience Officer

Well Done Year 10 & 12 on Your Work Experience

During the summer term, all our 'Green Tie' students and some of our Year 12s experienced a week of work experience, some of them for the very first time. For Year 10 this was the culmination of considerable preparation and planning with the students through our 'World of Work' programme. Those in Year 12 who chose work experience were wanting to explore their career options with a view to deciding which pathway to take at the end of Year 13.

There was a great variety of placements ranging from small, independent and local companies to large multi-national corporations. Students were visited by their tutors and staff who gave positive feedback on the placements they were undertaking. Students will be receiving their employer feedback soon and reflecting on their experiences in Citizenship lessons.

Overall the feedback from employers has been very positive, there are a number of amazing success stories and part-time job offers – proof of how impressed the employers have been! Here are some comments from the placement providers,

....has been happy to undertake any tasks that have been asked of her with a polite and positive attitude.

The work set was presented to a high standard and will help inform future business decisions.

.... used her initiative and became a firm favourite with the children.

....was a pleasure to have here and I am sure his work ethic will see him go far in whatever industry he puts his heart into.

His friendly and outgoing personality impressed customers and staff alike.

He has impressed me with the way he has got to know everyone and his ability to work with a small group.

She exhibited maturity beyond her years in interacting with staff and patients in clinical situations.

.... participated in all tasks and asked questions regularly to further her understanding...

...her professional and polite nature allowed her the chance to attend home visits and her punctuality and reliability was fantastic throughout.

Really helpful and keen to be involved, also has lovely manners and was really respectful of our whole class- adults and children.

He has also presented ideas to our other account managers on potential improvements to current client websites. This has been well received and the research will be used for future recommendations.

On a couple of occasions, she was mistaken for a new starter – which demonstrates how professionally she conducted herself.

We were all incredibly impressed with his performance, his confidence and his desire to learn about the business and the industry.

...has displayed excellent interpersonal skills when dealing with staff, customers and other volunteers.

...has given 100% effort in all of his duties and has been a very capable and willing student.

These fantastic opportunities would not be possible without the generous help and support given by a wide range of employers, both locally and in the wider community. We would like to thank them all and show a sample of their company logos with this feature. Our apologies that it has not been possible to include all companies.

The work experience for current year 10 will be launched in January 2020 on our return from the Christmas break.

Work Experience Team: Jo Mitchell & Karen Mitchell, based in C10.

The last day of term before we broke up for the summer holiday as usual brought lots to celebrate with students in our traditional end of term Celebration Assemblies led by Heads of Year. Spirits were high following a hugely successful Challenge and Celebration week which saw students travel far and wide to experience cultural delights in the capital and outdoor challenges in the Lake District to name just a few. In addition, the tutor group from each year group who received the most ClassCharts positives collectively, with other achievements such as attendance included, won a special trip out together with their tutor for winning 'Super Tutor Group of Year'. The end of the academic year really did end on a high, with much to reflect upon and celebrate!

Nominations were made by each subject lead for Achievement, Progress and Resilience across all year groups. In addition, each Tutor nominated students who had demonstrated their Personal Best through their tie values or who had been actively involved and committed to Personal Best Time this term and attendance awards were also given. To mark the end of the year, one student from each year group was presented with a cup to recognise the fact that they had impressed the most in terms of exhibiting the theme for their year. Well done to all students and staff for their phenomenal efforts in what has been a hugely successful year. Here's to another one this year!

Please Donate Your Spare Rucksacks

By Mr M Carr, PE; Progress and Experience Leader: Year 9; Staff Wellbeing Champion

Before the summer holidays pupils from IGS donated 83 unwanted ruck sacks and lots of pencil cases to the Mary's Meals charity to aid the education of children in developing countries.

Thank you!

If you got a new school bag for the start of the new school year and no longer have a use for your old one please consider donating it to this charity. Each rucksack donated is filled with educational resources to help children all over the world.

We will be collecting the rucksacks and pencil cases in the courtyard café during PBT on Wednesday 25th September.

Ilkley Wharfedale Rotary Club & School bags you don't need? We're looking for Backpacks to recycle

mary's meals
a simple solution to world hunger

On Wednesday 25th September bring your old back packs to the Courtyard Café during PBT

Backpacks will be sent to children who need them in developing countries and it will help with their learning in school

ILKLEY GRAMMAR SCHOOL
A MEMBER OF THE ILKLEY EDUCATION TRUST

PIC • COLLAGE

Alumni and Supporters of IGS

By Mr M Carr, PE; Progress and Experience Leader: Year 9; Staff Wellbeing Champion

If you're a former student, ex-member of staff or even a parent/guardian of Ilkley Grammar School, we want to hear from you!

Your experiences since could help to motivate and inspire our current students to feel more confident in making decisions about their future. We'd love you to join our alumni and wider community network and stay connected with the school.

This year we are continuing to work with the national education charity **Future First**, who specialise in helping schools like ours to stay connected with alumni and build a "friends of" community.

Last year we ran a series of events where students met supporters of IGS to improve their knowledge of the world of work. We would like your help in supporting student this year. You can choose how and when you help – perhaps you can act as a career and education role model, provide work experience, become a mentor in person or online, or share your expertise in a lesson.

It doesn't matter whether you're in further education or employment, whether you still live nearby or have moved further away, there are still ways you can help.

In order to sign up, just follow this link and fill in the online form – we promise it will only take a couple of minutes. <https://networks.futurefirst.org.uk/former-student/ilkley>

IN MY COUNTRY

NATIONAL POETRY COMPETITION

Are you aged between 11 and 17 and have something to say about place, identity, and belonging in the UK? The Out of Bounds Poetry Project invites you to write a poem with the title 'In my country'.

Top poets, Jackie Kay and Malika Booker, will lead a team of judges to find the winning poems.

To get you started, here is Jackie Kay's poem, 'In my country':

walking by the waters
down where an honest river
shakes hands with the sea,
a woman passed round me
in a slow watchful circle,
as if I were a superstition:
or the worst dregs of her imagination,
so when she finally spoke
her words spliced into bars
of an old wheel. A segment of air.
Where do you come from?
'Here,' I said, 'Here. These parts.'

BBC1's hit show 'Eat Well For Less?' is BACK and looking for households to take part!

Eat Well For Less? is on the hunt for families / households looking to save money on their food shop!

Is the cost of your weekly food shop **spiralling out of control?**

Perhaps you're **desperate to save** but under pressure to keep providing the household favourites?

Or do your **health requirements** affect your diet? Are you in need of some **new inspiration?**

Maybe you need help adjusting to a new **financial situation?**

Or are you just **bored of buying and cooking the same foods** every week?

Masterchef's **Gregg Wallace** & award winning grocer **Chris Bavin** are on a mission to prove that it is possible for families to save

money on their food budget without scrimping on taste and nutrition. They hope that by analysing the shopping habits of UK families, they can help to show where we can source the best and cheapest quality food.

We're currently on the hunt for families / households to take part in our new series – so get in touch with the team TODAY!
