# Sportsaid Week Challenge

## By Dominic Coy: Y13

Our own international Team GB Triathlete, Dominic Coy, set about wanting to raise money for Sportsaid using his very special talents by riding his bike for a day in our Post 16 Centre. The bike was stationary but Dominic certainly was not. Read his ride report below:

After setting up after school on Tuesday 24th September, at 8:28am on Wednesday 25th, I got on the bike and set off for a long ride. The first 45 minutes were pretty lonely, with everybody else at PBT sessions, but soon enough F-Hall filled up with other students with free periods, and from that point I had excellent support throughout the day. The 1km Time-Trial challenge we had set up became surprisingly popular, with many people keeping me company and taking each other on in a testing challenge of strength and endurance.

By period 3 I had started to feel tired, and realised I had probably set off a little too fast, covering about 32 virtual kilometers in the first hour, this being especially fast on the hilly Harrogate UCI World Championships Circuit I was using. I put my head down to get through the middle part of the ride, and with some extra fueling, I reached the 100km mark and had a short ten minute break for a toilet stop and some more food.

Getting back on the bike was tough, but I knew, after 120km, I would be within an hour and a half of the finish, and the toughest part would be done. Kept entertained by time-trial attempts throughout the day, eventually my ride was done.

After 6 hours, 1 minute and 17 second at 149bpm average heart rate, over 165.44km, 2775m elevation gain and 2,988 calories burnt, my big ride was done. I raised £139.81 on the day from direct donations, and so far £328 online. This money is being donated to the amazing charity that is SportsAid, which every year, provides grants to young upcoming athletes across a huge range of sports, to help them to fund their sporting endeavours and ensure they don't miss out on developing their experiences as a junior, which contribute significantly to an athlete's later career.

If you would like to donate to SportsAid, or give anything for my efforts, you can here, at: <https://www.justgiving.com/fundraising/dominic-coy-igs>

Thank you everybody for the support and donations.

# Fundraising for Guide Dogs UK

By Mr M Carr: PE; Progress and Experience Leader: Year 10; Student & Community Co-ordinator

Ciara Joel (Y9), Rufus the Guide Dog, Graham Maud (Guide Dogs UK), Sam Buckley (Y9)

Being able to wear your own clothes for a day and bringing in your £1 is something normal for a non-uniform day. Have you ever wondered how much we raise or where the money goes?

Back in July our chosen charity for the day was Guide Dogs UK.

**We raised an amazing £970.44!**

With 5000 guide dog owners in the UK it requires a lot of money to train, look after and rehome them once they retire. Each dog costs about £55,000 during their lifetime and every penny raised in July has gone towards supporting this charitable cause.

One of the Guide Dog ambassador dogs, Rufus, came into school this week to receive the money on behalf of the charity and two Year 9 pupils, Ciara and Sam were lucky enough to spend some time with him and learn about what Rufus does and the training that goes into becoming a Guide Dog. Thank you for your donations!

## PTA Update

By Mrs J Wearing, PTA Chair

First of all, welcome back to school for parents of children in Year 8 and above, and a very warm welcome to all those parents who are new to IGS. We hope this academic year will be another very successful year of fundraising for the PTA.

A **HUGE** thank you to everyone that got involved with the Auction of Promises. Once again, thanks to your generosity, it was a great success, raising just over £4,000 in total.

And another **HUGE** thank you to everyone that helped out at the four PTA car boot sales we ran over the Summer term. We raised a total of just over £3600. Both of these events added to our other fundraising efforts mean that we were able to raise just over £9,000 over the 2018/2019 academic year, which is absolutely fabulous and wouldn't be possible without the efforts of a great many parents.

The money raised went towards the following projects:

- the refurbishment of the school swimming pool, which was out of action for several months and cost a total of £60,000 to repair;
- the refurbishment of some of the school toilets;
- the IGS Bursary – available to provide financial assistance to students who otherwise would not be able to afford some of the many trips and enrichment opportunities that are on offer within school;
- the provision of dining furniture for the new Armitage building's dining hall.

This year, we plan to run our usual calendar of events in order to once again raise much needed funds for school. Please watch this space for more information about the Curry & Quiz Night, Car Boot Sales and the Auction of Promises.

We would also like to organise a Colour Run for next Summer. This will be quite an undertaking, and although the PTA Committee has set up a working group, we would love to have a volunteer to spearhead this initiative. If you have experience in running this type of event, have attended such events or just think this is a great fundraising idea, please consider whether you could lead the Colour Run working group. We'd love to have you on board!

Finally, with Christmas approaching, don't forget to use easy fundraising for all your online shopping. You can choose IGS PTA as your nominated charity and every time you spend, we'll receive a payment. It costs you nothing and is so easy – go to [www.easyfundraising.org.uk](http://www.easyfundraising.org.uk)

# SPORTS RESULTS

By Mr M Carr; PE; Progress and Experience Leader: Year 10; Student & Community Co-ordinator

At the start of the month, nine IGS pupils took part in the English School Fell Running Championships at Giggleswick School, Settle.

Alex Wolfenden (6<sup>th</sup>), Ethan Doyle (36<sup>th</sup>) and Oscar Shinn (63<sup>rd</sup>) battled through some very tough conditions and a very muddy course and completed the Year 7 fell run with some amazing individual

performances. Their individual times contributed towards a team score and IGS finished 4<sup>th</sup> out of the 11<sup>th</sup> schools competing.

As the day went on the course became even more challenging and there were some great performances in the Year 8/9 race. Archie Budding (41<sup>st</sup>), Dylan Shinn (58<sup>th</sup>) and Nicholas Archer (62<sup>nd</sup>).

Erin Doyle (19<sup>th</sup>) and Beth Rogers (33<sup>rd</sup>) put in some very solid performances in the Year 8/9 girls race against some tough opposition from the best fell runners in the country.

Harry Stead (34<sup>th</sup>) concluded proceedings for the IGS contingent completing the Year 10/11 race in a very respectful time of 30:53min.

If you would like to get involved in any cross country races at school please contact Mr Carr or Mrs Knowles in the PE department.

Top poets, Jackie Kay and Malika Booker, will lead a team of judges to find the winning poems.

To get you started, here is Jackie Kay's poem, 'In my country':

walking by the waters  
down where an honest river  
shakes hands with the sea,  
a woman passed round me  
in a slow watchful circle,  
as if I were a superstition:  
or the worst dregs of her imagination,  
so when she finally spoke  
her words spliced into bars  
of an old wheel. A segment of air.  
Where do you come from?  
'Here,' I said, 'Here. These parts.'

Bloodaxe Books, 2007)
