Year 7: Red Enterprise Challenge

By Mrs K Mitchell; Careers Leader

We recently welcomed the Engineering Development Trust (EDT) into school to work with Year 7 students.

Students were put into teams within teaching bands I, G and S and given the **RED ENTERPRISE CHALLENGE**: You are a team of Roller Coaster Engineers. Your project is to design, build and test a new roller coaster ride, using only the materials provided on your table, your design can only be supported on the frame you've been given. The carriage is a marble and must continue moving along the roller coaster – the longest time recorded for the marble will be the winning team.

The aim was to have fun whilst raising the awareness and importance of STEAM subjects and how these subjects link into potential future career pathways options.

Science — Friction, Gravity, Potential Energy, Kinetic Energy

Technology — The technology used to design roller coasters

Engineering — Engineers design, build and test roller coasters

Arts — Creative minds with ideas and designs

Maths — Engineers need to calculate height/ length, costs of materials, if the drop provides enough speed....and more!

The students certainly rose to the challenge, creating some fantastic and imaginative roller coasters. Rebecca Sanderson from EDT stated, 'some students had used the resources provided in ways no other students had done over the past year' – we may have future award winning engineers here at IGS!

The transferable skills all employers look for, whatever the career sector, were demonstrated by the vast majority of students. They showed excellent team working skills, great listening skills and fantastic problem solving ideas to create their roller coasters. Students were enthusiastic and motivated to take part in this learning outside of the classroom which links in to their school tie values.

Year 7 were great ambassadors for IGS with the EDT Enterprise Challenge and should be proud of what they achieved on the day. All students taking part will be awarded the Industrial Cadets award by EDT.

Mrs Robun, Head of Year 7: Our Team Red Ties had a real rollercoaster ride of a day and have really enjoyed this challenge. Well done to everyone!

Children Are Our Future

By Mrs K Mitchell; Careers Leader

Support your child with the next steps on their careers journey through IGS.

If you are aware of the options available and understand the pathways, you are better placed to be of help.

These links will give you up to date knowledge:

- For help with making A level choices click [here](#)
- Parental guide to university choices click [here](#)
- Understanding the Russell Group universities click [here](#)
- What you need to know about university student finance click [here](#)

Now very much a parallel career route to university, there have been an increasing number of very varied apprenticeship opportunities, for example: physiotherapy; cyber security; social media; solicitor; civil engineer, to name a few.

Parental guide to apprenticeships click [here](#) and for further information click [here](#)

If your child is thinking of taking a gap year, help them plan this so it is a constructive use of their time [here](#)

Year 9: Belgium Trip

By Mrs K Lister; Head of Citizenship

ILKLEY GRAMMAR SCHOOL VISITS THE WW1 BATTLEFIELDS

Ilkley Grammar School students have recently returned from their annual Belgium Battlefield's trip, which includes the Belgian and French Sectors of the Somme and the Belgian town of Ieper, in commemoration of the centenary of the war.

They set off on their 12 hour journey on the evening of Friday 25th October, stopping at Essex Farm Cemetery, a former advanced field dressing station which is now dedicated to the soldiers of Yorkshire and the wider West Riding area. The cemetery resonated deeply with the students as they talked quietly amongst the rows of stately white crosses, each one a heartfelt

remembrance of a fellow Yorkshireman. Gilbert Muirhead and Daniel Fazackerley read the poem 'In Flanders Field' written by Dr John MacCrae who was a surgeon here. In contrast, the group later visited Langemark German Cemetery, the final resting place of over 44,000 German soldiers, where overhanging trees shade the cemetery from public view. They went on to visit St Julian's Canadian Memorial at Vancouver Corner, resting place to 2,000 soldiers, and the 'In Flanders Field' museum in Ieper town, an educational wartime museum.

The trip also included battlefields, cemeteries and memorials in France as well as Belgium, with the group following the frontline route of The Battle of the Somme. In particular, the group visited Vimy Ridge, scene of the harrowing loss of British and French lives, which remains a memorial to the brave Canadians who took the Ridge at severe cost in April 1917 and is still surrounded by unexplored explosives. The students took in the tunnels, trenches and the impressive monument to those who fell, guided by a

Canadian student volunteer whose grandfather had fought at Vimy.

Following in the footsteps of the Somme Offensive, which began on 1st July 1916, the students wound their way through the Somme region, visiting Thiepval Memorial to the Missing, home to 72,000 missing soldiers on the Somme, where several

students sought out and discovered relatives who are recorded there. Mrs Hessey and Mr Davies also discovered family members remembered there and Alex Taylor read the poem 'The Soldier' by Rupert Brooke in honour of Mr Rignall's uncle, Harold Rignall, who is honoured on a panel on one of the impressive 'legs' of the monument.

Onward to the huge 'Lochnagar Crater' in the tiny village of La Boisselle

where ordinance laid by men of the Scottish and Irish Tynesiders caused an explosion so loud it was said to have been heard in London!

The final visit of this day in the French Sector of the Somme was a solemn journey through the village of Mametz to reach the final resting place of the Devonshire Regiment, a group of men aware that their orders would ultimately lead to their deaths but who sacrificed themselves anyway in the name of their country. They were buried in the trench and in remembrance of their bravery, Felix Weston and Josh Beevers read the poem 'Mametz Wood' by Owen Sheers, written in their honour.

Three Year 9 students, Elodie Parsons, Josie Simpson and Zoe Haskins, laid wreaths in commemoration and respect at the 'Last Post' ceremony at the Menin Gate, a memorial to the missing soldiers of the British Empire, where a nightly ceremony commemorates their loss with sadness and respect.

The final day saw the students visit the largest British military cemetery anywhere in the world, The Tyne Cot Cemetery, with 34,000 names engraved upon walls on the back. Students visited the panel bearing the name of former IGS student and teacher Eric Fitzwater Wilkinson M.C. who was killed in action on the 9th October 1917 in Flanders aged 26. Mr Hansen beautifully recited the Headmaster's Response to the death of Eric, which was published in the school's newsletter, 'The Olicanian', shortly after being notified of his death.

Mr Khalil, who accompanied the students commented, 'It had a very solemn feeling to it' and he was deeply moved by the trip. 'It was an amazing trip that had a really positively effect on all those who went.'

Mrs Lister and Mrs Goodyear stressed the importance of the trip and noted, 'This history trip is full of memories of the battlefields and in remembrance of the thousands who died during the Great War. The behaviour of the students was impeccable and we were very proud to take them to Belgium as it is a thought-provoking trip and helps them to understand the scale of the war'. Mrs Birch and Mrs Welbourne also accompanied the trip and commented on how well our students represented themselves and the school throughout.

Year 11 Presentation Evening 2019

By Mrs C Purnell, Deputy Headteacher: Quality & Impact/Trust Transition & Development

On Wednesday 20th November, we enjoyed another fantastic evening at the King's Hall in Ilkley honouring the achievements of the class of 2019. Last year's "red ties" had much to celebrate and should be very proud of their collective achievements. With the continuation of more challenging linear examinations, 245 students left with qualifications, with 82% of students achieving at least 5 grade 4s (equivalent to the old C grade) including maths and English. With an average grade across all entries of grade 6, over 40% of all grades were at grades 7-9 and almost 1 in 4 of all grades were at the highest grades 8-9, the new measure of exceptional attainment. This was another record year for IGS with a progress score of +.58 showing that, on average, students made over half of a grade more progress in every subject across the curriculum than students of a similar ability nationally.

The whole evening was another excellent showcase for Ilkley Grammar School, as students proudly collected their GCSE certificates to the warm applause of friends, family and IGS staff. It was clear that many students had again achieved their Personal Best, and the months of hard work and determination had paid dividends. Ms. Williams, Headteacher, said: "As a year group, the 2019 'Red Ties' achieved a record-breaking set of GCSE results with a wide variety of superb individual accomplishments and achievements. Once again, I was incredibly proud as Headteacher to celebrate these achievements with our students and their families at our Year 11 Presentation Evening in The King's Hall. Congratulations to the Class of 2019!"

Outstanding individual achievements were recognised in subject awards, as well as in prizes for exceptional progress and attainment across the curriculum. The exceptionally high standards at IGS, alongside the record results, meant that for every prize winner there were many others eligible for an award. Indeed, whilst there was considerable academic success to celebrate, also on display was a wide range of musical talent. There were excellent instrumental solo performances from current year 11 students, Charlotte McCarthy, Gus Lovell and Joe Rogers, as well as a powerful rendition of Pulled from The Addams Family by year 13 student, Eleanor Dear.

The evening closed with an inspirational address from the Guest of Honour, Danielle Brown, a double Paralympic gold medallist and the first disabled athlete to represent England in an able-bodied category. Danielle encouraged everyone to make the most of opportunities and to drive ourselves forward in order to take ownership of the future and maximise our potential. Her key messages included:

Choose the right response

You can't control what life throws at you, but you can choose your response.

Learn from failure

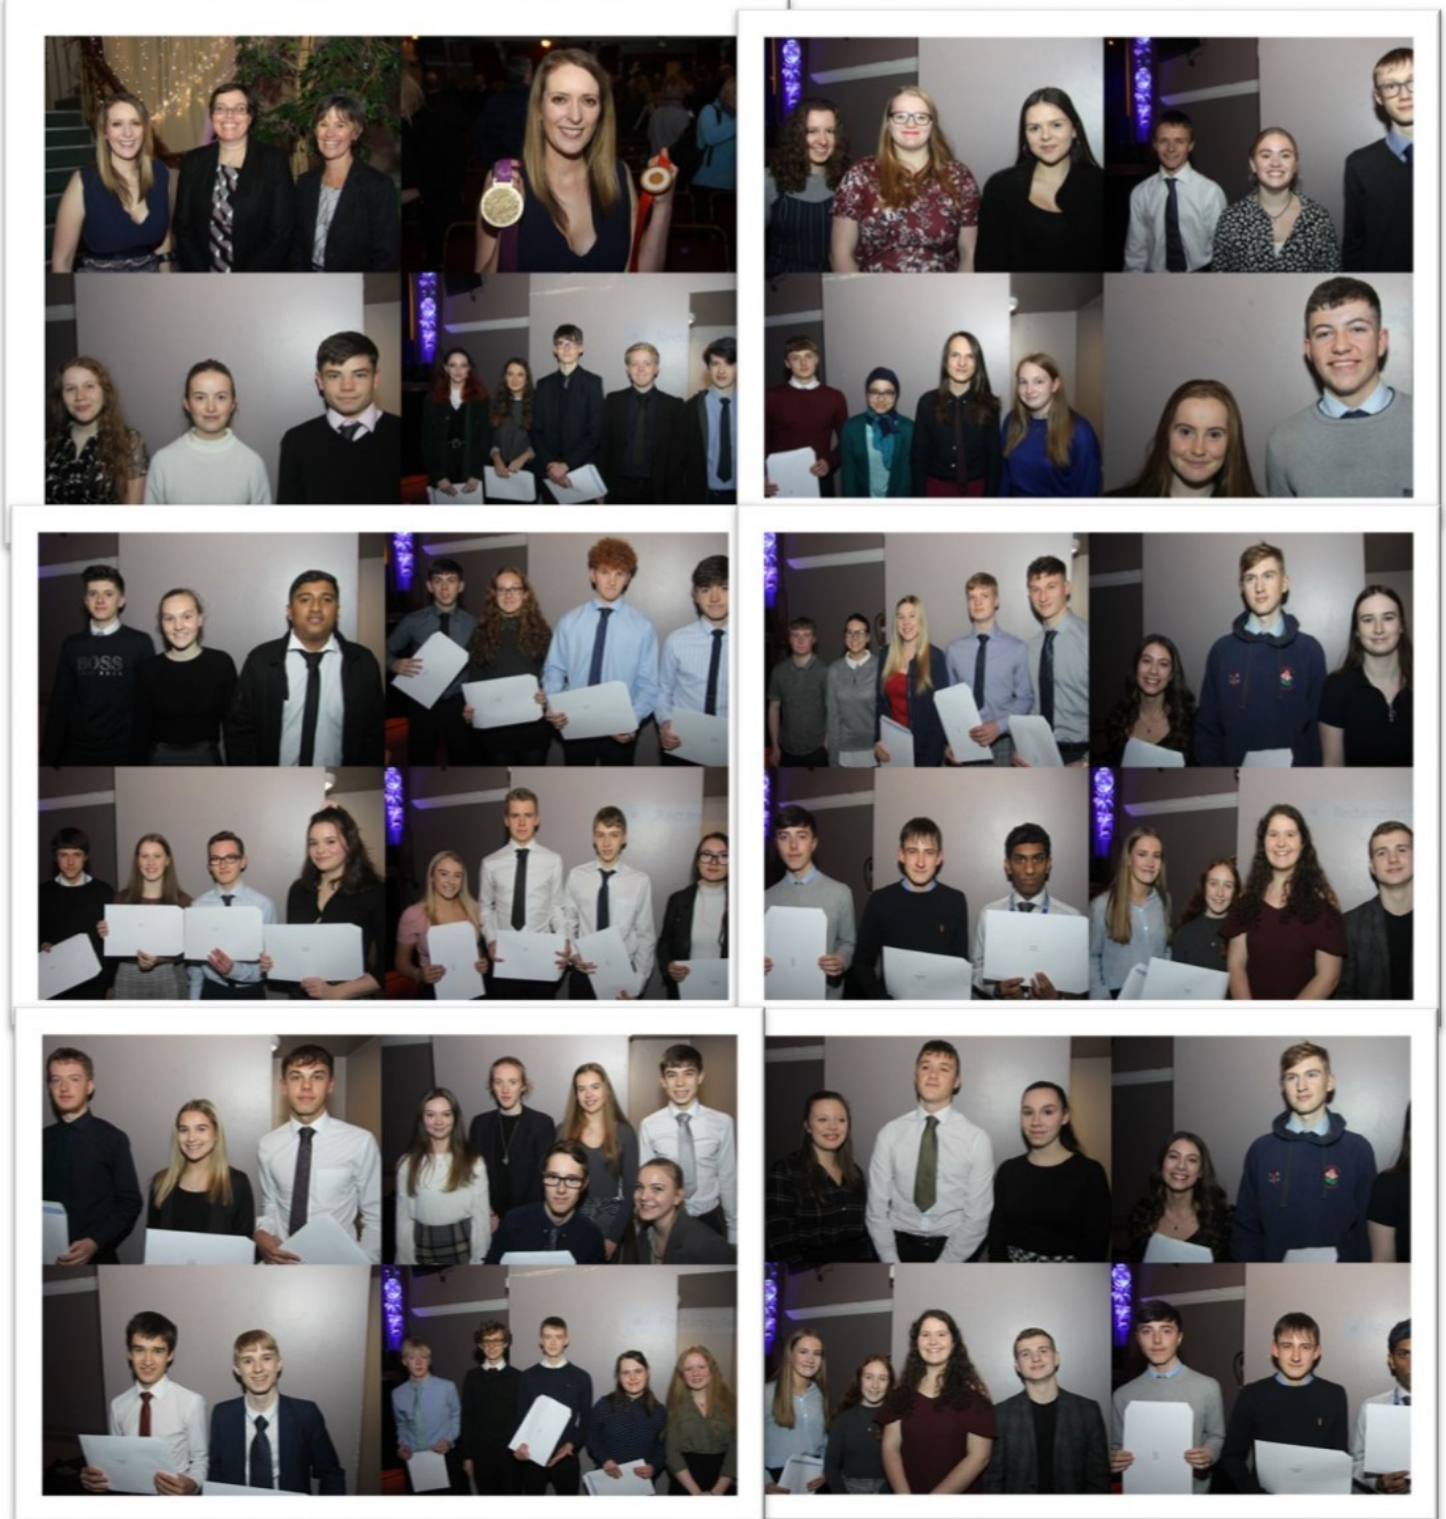

Through failure we can make ourselves better. There are positives which can be taken from any situation.

Believe in yourself

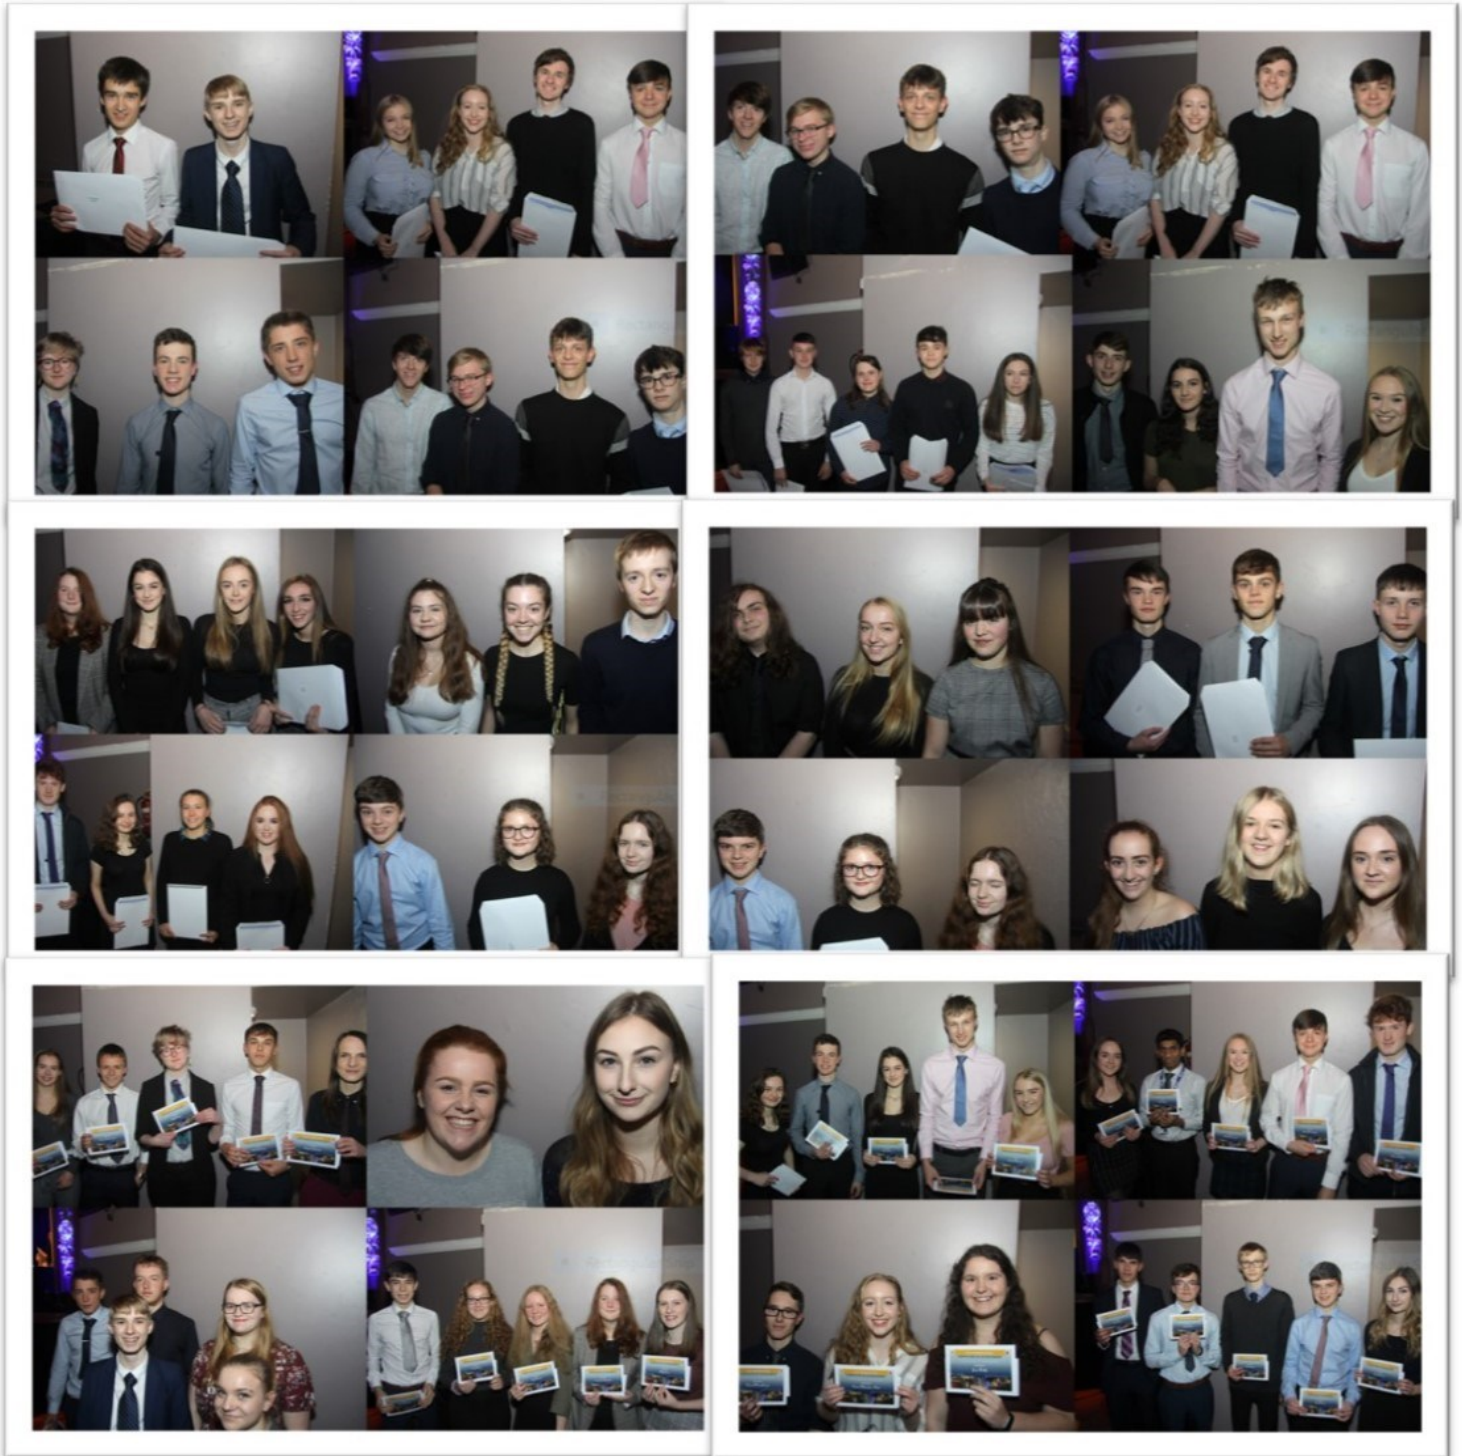

Confidence is a valuable gift. Appreciate and celebrate your achievements and invest in yourself.

A full list of prize winners can be found on the following pages.

Well done "red ties" of 2019! It has been a real privilege to watch you grow, personally and academically, and you fully deserve your success.

The Ilkley Playhouse Award	<i>Elsa Tuxworth</i>

Post 16 Autumn Seminars

By Mr J Gutch; Assistant Headteacher: Director of Post 16

This autumn we have been very pleased to have been able to welcome a number of influential thinkers and academics to Post-16 who have so far spoken to students on topics ranging from cinematography to the climate emergency and from the legal implications of the prorogation of parliament to Charles Darwin's visit to Ilkley at the time he published Origin of the Species.

THE CUTTING EDGE

In each talk the visitor speaks for around ½ an hour on a topic of their choice which is at the 'Cutting Edge' of their thinking and then it is opened up to the floor for discussion. At the end of the session, students consider the implications of what they have heard for their own subjects – How might one apply the theory of the 'Survival of the Fittest' to economics? What could be the implications of Brexit for scientists or geographers? What is the importance of storytelling in cinematography or what is the psychology of climate change?

These seminars are intended to encourage students and staff to think in an interdisciplinary way and to consider how different fields of study interact and influence one another.

We are very grateful to those visitors who have given up their time to come to school on a Friday afternoon and hugely impressed by the contributions of the students who attend.

If there are any parents/carers who would be willing to come in to talk about something at the 'Cutting Edge' of their field of expertise we would be very keen to hear from them. Please contact school via admin@ilkleygs.co.uk and address your email 'for the attention of Mr Gutch'.

Friday 11th October Mark Carey – Head of Cinematography, Northern Film School

Friday 18th October Professor Tim Benton - Research Director, Energy, Environment and Resources, Royal Institute of International Affairs

Friday 8th November Professor Ian Cram - School of Law (Leeds)

Friday 22nd November Professor Greg Radick - Professor of History and Philosophy of Science (Leeds)

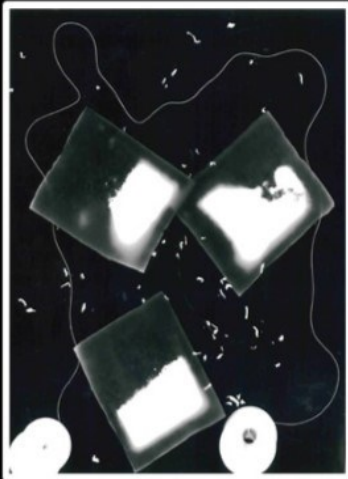

Friday 6th December Mark Stidworthy – Ilkley Town Mayor and President of the British Veterinary Zoological Society

January onwards Professor Dave Hesmondhalgh – Professor of Media and Communication, Leeds University

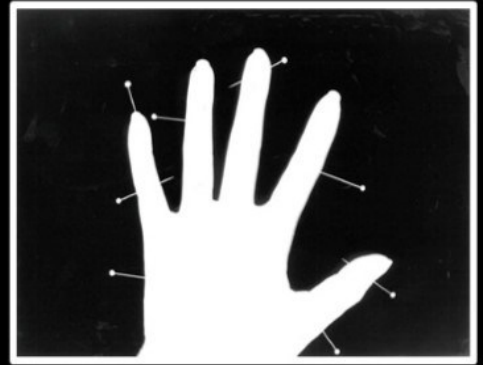

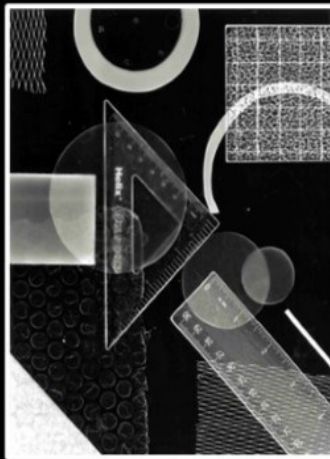

Professor Abigail Harrison-Moore - School of Fine Art, History of Art and Cultural Studies (Leeds)

Year 12 Photography

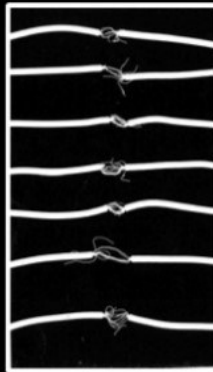

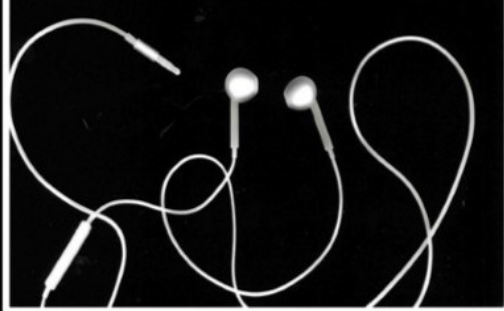

By Ms L Mortimer, Lead Teacher: Photography; Teacher of Art

Year 12 Photography students spent a number of lessons in our new darkroom last term. Students learned developing and printing techniques through the art of the photogram. This is a fantastic and exciting new resource for photography that we hope to further develop in post 16 teaching throughout the year. Later this year all students will learn how to shoot using film and then develop any print from their own negatives.

"It was a really fun way to make pictures" Tom Yr 12

"It was really interesting thing to do because it was a new environment and we hadn't done it before" Emily Yr 12

THANK YOU
for raising money for
BBC Children in Need

IGS held a non-uniform day and sold cakes on Friday 22nd November in support of Children In Need and raised

£1,540.79!!

THANK YOU
for raising money for
BBC Children in Need

P.T.A. NEWS

By Mr J Gutch; Assistant Headteacher: Director of Post 16

Following the PTA Annual General Meeting last week, the staff and students at IGS would like to say a massive thank you to the PTA for the fundraising and support they have provided the school over the last year.

Through a range of hugely successful events such as :

- The summer car boot sales;
- The annual 'Curry and Quiz' evening; and
- The auction of promises

the PTA raised almost **£9,000** last year.

This money has gone to support:

- The **PTA bursary fund** which enables students from across the school to access a range of valuable extra-curricular enrichment activities,
- The **repair of the school swimming pool** which is now back up and running,
- The **refurbishment of some school toilets** which are being improved on a rolling programme; and
- Most recently, it has enabled the school to buy **dining furniture for the new Armitage Café**.

The PTA is busy making plans for the coming year and is always on the look-out for parents willing to give up their time to raise money for the school, so please do get in touch if you are interested.

This year, they are planning to run their usual calendar of events. Please watch out for more information about the 'Curry & Quiz' night, the car boot sales; and the auction of promises.

They are also hoping to organise a Colour Run next summer. More details to follow.

Parents are encouraged to use **easyfundraising** for all their online shopping. You can choose IGS PTA as your nominated charity and every time you spend, the PTA will receive a payment. It costs nothing and is so easy – go to www.easyfundraising.org.uk

For further information about the PTA please email PTA@ilkleygs.co.uk.

Thanks again to the PTA on behalf of all the students and staff at Ilkley Grammar School.

Christmas Tree Festival

By Mr M Carr; PE; Progress and Experience Leader: Year 10; Student & Community Co-ordinator

Ilkley Grammar School Community iLeaders helped to support the 2nd annual Ilkley Christmas Tree Festival at St Margaret's Church last weekend.

Caitlin Fitzgerald in Year 10 was asked to help with the official opening by the Mayor of Ilkley, Councillor Stidworthy (photo).

Twenty-five beautifully decorated trees from local organisations and charities were on display and the iLeaders were on hand to direct and inform visitors about the trees.

The festival organiser was highly complementary about the pupils who volunteered and has already asked if they could help again next year.

If you know of a local event or project that the IGS Community iLeaders can get involved in please email matthew.carr@ilkleygs.co.uk

Christmas Family Portrait Fundraiser

We are delighted and excited to announce the return of a unique and unusual Christmas fundraiser event at Ilkley Grammar School, that you and your family will love.

We have teamed up with Arts Photography, one of Yorkshire's leading family portrait experts, who are offering you the chance to have your very own Christmas Family Portrait Session here at school.

Sessions will be running from 8.30 am till 3.30 pm on Saturday 14th December and they are very reasonably priced at just £15! (Regular price: £95).

Arts Photography will donate the £15 from each appointment to 'The School Fund'. Therefore, the more appointments we book, the more money we raise!

You will have the opportunity to capture some great family images in a fun packed 30-minute mini session and be able to view and select your favourite images straight after your shoot.

You will also receive a complimentary deluxe mounted print with this offer.

They are also offering a range of digital, print and fun Christmas products at great value prices ready to take away within minutes of your session!

Places are very limited and offered on a first come first served basis.

To book, please go to: <https://arts.appointeddd.com/>

So what are you waiting for?! If you want to have some real fun with the family, some great images taken and the perfect Christmas present, make your booking early to avoid disappointment.

Thank you for your support and we hope you enjoy having your family portrait created.

A festive poster for Christmas Lunch. It has a red background with white snowflakes and decorative swirls. On the left, there is a cartoon illustration of Santa Claus in his red suit, white beard, and hat, smiling and waving. The text is in white and yellow. The title 'Christmas Lunch' is in a large, white, slightly stylized font. Below it, the dates and years are listed: 'Tuesday 17th December - Year 7' and 'Thursday 18th December - Year 8'. The price 'Only £3.75!' is written in a large, bold, yellow font. At the bottom, there is a call to action in white text: 'Reserve your place on the "Christmas School Dinner" option on Parentpay before Friday 6th December. Book now to avoid disappointment!'.

Christmas Lunch

Tuesday 17th December - Year 7
Thursday 18th December - Year 8

Only £3.75!

Reserve your place on the "Christmas School Dinner" option on Parentpay before Friday 6th December.
Book now to avoid disappointment!

SPORTS RESULTS

By Mr A Falkner; PE; Progress and Experience Leader: Year 9

On Friday 22nd November, IGS was invited to a school competition to start 150 days of rugby to celebrate 150 years of the Yorkshire RFU. We took a Year 8 team and an U15 girls team to participate. It was a great afternoon of participation rugby and a brilliant experience for our students.

Check out Twitter @Yorkshire_150 for more information.

WALL OF FAME

(Please visit www.ilkleygrammarschool.com/news/wall-of-fame for previous entries)

Congratulations to Poppy Lofthouse who won the local heat of the National Rotary Club Young Chef competition held at Craven College. She made pan-fried salmon with lemon butter sauce, served with steamed seasonal vegetables and Eton Mess with homemade meringue and a raspberry and strawberry coulis.

The next stage is the district final which will be held in February at Betty's Cookery School in Harrogate. We all wish Poppy well.

Congratulations must also go to Daisy Graham who took part and created well presented dishes, including courgette and haloumi fritters and salmon with spinach and tartar cream.

By Mrs Druett; Head of Food

Ms Symons has challenged herself to run 90 kilometers across the breadth of Qatar in December in aid of Diabetes UK, Action 4 the Blind, and Devon Insight. She explains, "All of these organisations contributed to my father's care and wellbeing and I will be forever grateful. I won't be running in fancy dress, tutus or underpants but I will be wearing a very good pair of trainers and a big smile on my face."

Diabetes is a serious illness where the blood glucose is too high and the body does not produce any or enough insulin to break it down. Therefore it cannot penetrate cells and begins to build in the blood and cause a variety of problems. Over time, high glucose levels in the blood can seriously damage the heart, eyes, feet and kidneys. (www.diabetes.org.uk)

The list was endless of what he had to endure and it was heartbreaking to watch him go through it. He was lucky to have my mother, a devoted wife of forty-four years, who warmly and effortlessly cared for him: an epitome of unconditional love. The nurses were fantastic and local charities such as, Action 4 the Blind and Devon Insight contributed to enabling him to live a full life – a round of golf, sailing trips and a National Trust membership. He found great enjoyment in those things.

If you would like to support Ms Symons on the challenge, please donate to: <https://www.justgiving.com/fundraising/misssymons>

STUDENT/POST 16 NOTICES:

(Please visit www.ilkleygrammarschool.com/student/notices for previous notices)

Bake Sales: The Revival Project - Uganda

The Revival Project

Please bring your 5ps, 10ps, 20ps 50ps and £1s!

When?

- Monday 2nd December
- Friday 6th December
- Monday 16th December

All bake sales will take place at break.

Where?

All bake sales will take place opposite the KS3 Hub on P Floor

Why?

All money goes towards the Revival Centre. The Revival Centre works on improving education and quality of life for children.

Donating money to the Revival Project means you are helping children just like you to have the opportunities you have.
