Year 13 Presentation Evening 2019

By Mrs C Purnell: Deputy Headteacher: Quality & Impact/Trust Transition & Development

On Thursday 19th December 2019, we celebrated another fantastic evening at the King's Hall in Ilkley honouring the A-level achievements of the Class of 2017-19. With new, more demanding qualifications now in every subject, the students had every right to feel proud of their collective achievements: with a 99% pass rate, 79% of all grades were at A*-C, 60% at A*-B and nearly one third of all entries were at A/A* grades. More importantly, IGS students made significantly above average progress compared to students who had similar GCSE starting points nationally.

The whole evening was an excellent showcase for the school and an uplifting end to a busy term. Students proudly collected their A-level certificates to the warm applause and congratulations of friends, family, IGS staff and special guests including our Guest of Honour, Professor Tim Benton and Ilkley Town Mayor, Mark Stidworthy. It was clear that this year group had again risen to the challenge to secure their Personal Best and the months of hard work, determination and resilience had paid off. Ms. Williams, Headteacher, said *"Our Year 13 Presentation Evening was yet again a fantastic event and a privilege to be a part of. As every year at IGS, we are fortunate to have so much to celebrate in the achievements of our students and this year was no exception."*

"The range of talent on display and being celebrated on the evening – not only in terms of outstanding academic results, but also the whole school awards for commitment to the community, student leadership, sporting excellence amongst others - made for an absolutely superb evening!

We wish all of our newest alumni the very best for the future – I am confident that they will go on to achieve further huge successes in their chosen career paths and lives."

There were many superb individual achievements which were recognised in 26 subject awards, as well as in prizes for outstanding progress and attainment across the curriculum. In total eight students achieved three straight A* grades: Freya Basey, Ben Bearpark, Ellie Cooper, Jasper Evans (4 A*s including EPQ), Antonia Fern, Matthew Hall, Jamie Spiller and Harvey Sykes. In addition another five students achieved two A* grades and an A grade including Harry Clough, Nisha Cant, Joseph Haigh and Livia Hammond.

Such performances have secured places at some of the most prestigious universities in the country including 5 students who secured their places at Oxford or Cambridge:

Jasper Evans: PPE at Lady Margaret Hall, Oxford

Antonia Fern: History of Art at St Catherine's, Oxford

Joe Haigh: French and Italian at St Anne's, Oxford

Megan Hayes: English at Selwyn, Cambridge

Jamie Spiller: Physics at Trinity, Oxford

Mr Sykes welcomed back a very special year group and commented on what a privilege it had been to work with them. The class of 2017-19 had not only achieved tremendous academic success, but had also grown into remarkable young men and women with the capacity to make a positive difference to society. Indeed, special awards recognising wider achievements beyond academic success were also awarded to the following students:

| | |
|---|--------------------------------------|
| Award for Outstanding Attendance: | Harry Clough |
| Awards for Commitment to School and Community: | Ellie Cooper |
| Dobson and Robinson Award for Sporting Excellence: | Cameron Reilly |
| Community Service Award: | Eve Woodward |
| IGS Award for Resilience: | Alex Webb |
| IGS Award for Courage: | Tori Mallinson |
| IGS Award for Independence: | Beth Krivan |
| IGS Award for Compassion: | Frankie Henderson |
| IGS Award for Innovation: | Harry Watson and Harry Barker |
| The Kathleen Hewitt Edwards Award | |
| For Outstanding Contribution to the Performing Arts: | Frankie Wills |

The Brathay Award for Outstanding Student Leadership: Esme Pearce and Adam Cooke

The Olicana Historical Society Award: Jasper Evans

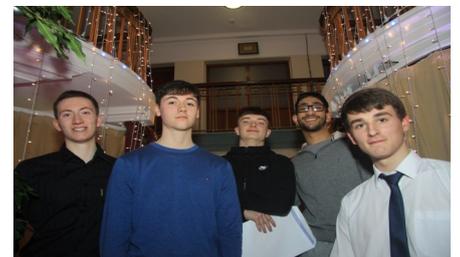

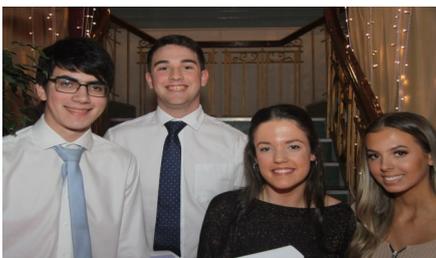

The Ilkley Playhouse Award: Patrick Campbell

The Ilkley Parish Council Citizenship Award: Adam Hayes

With excellent musical performances from some of our current year 13 music students, including a solo from saxophonist Matt Hodson, there was a wide range of talent on display all evening. This is an event which is a highlight of our annual calendar and we were delighted that so many of our former students were able to celebrate with us.

Well done the class of 2017-19. Your school and your families are very proud of you and we wish you all the very best for the future!

A full list of prize winners can be found on the following pages.

The following Exceptional Attainment students achieved the highest average points scores across the curriculum based on their A Level results. Our Outstanding Progress awards recognise the students with the highest progress scores based on the value added from GCSE to A Level.

We are fortunate at Ilkley Grammar School to have many students with excellent achievement and many more students deserve our praise and admiration beyond those who have been awarded prizes.

Exceptional Attainment:

Admissions Consultation

By Ms H Williams; Headteacher

Consultation on:

- 1) expanding the Priority 2 catchment area for Ilkley Grammar School
- 2) amending the over-subscription criteria for admissions for Post-16

Expansion of the Priority 2 Catchment Area:

We are opening a consultation to seek your views on a proposed slight expansion of the Priority 2 catchment area for Ilkley Grammar School for admissions from September 2021. The proposed change involves extending the Priority 2 boundary to encompass the High Royds Estate in Menston; there are no changes to the defined Priority 1 catchment area.

High Royds Estate in Menston is currently excluded from our Priority 2 catchment area by virtue of the Priority 2 catchment southern boundary which closely follows Bingley Road until it cuts across Hawksworth Moor to Burley Moor. Since the High Royds estate has been built, families living in this area have increasingly struggled to get a place at Ilkley Grammar School as other students who also live outside of the main priority areas and out of district, have been given preference based on straight-line distance. Given that most children on the High Royds Estate attend Menston Primary, a Bradford school and a main 'feeder' primary for Ilkley Grammar School, the governors would now like to extend the boundary for the Priority 2 catchment to include this residential area. Under the proposal, this would mean that children living on the High Royds Estate would have an increased chance of securing a place at Ilkley Grammar School under the same criteria as their Menston friends, as they would live within the school's defined Priority 2 catchment area, rather than, as is currently the case, be dealt with as out-of-area applicants.

Following a £4.7 million capital investment from Bradford Metropolitan District Council, Ilkley Grammar School increased its Published Admissions Number (PAN) permanently to 300 from September 2018. This has enabled the school to increase the number of places available for students living in its two catchment areas. **Please note, extension of the Priority 2 catchment will not impact on allocation under Priority 1 and will not disadvantage those living in the residential estates in Menston which fall within the current Priority 2 area. In addition, the current admissions policy for Ilkley Grammar School for years 7-11 will remain unchanged.**

Amendment to the over-subscription criteria at Post-16:

We are also consulting to amend the over-subscription criteria at Post-16 **to include students from The Skipton Academy, as a school within our Trust, before other out of area students.**

Proposed Oversubscription Criteria:

Where there are more applications than places, students will be offered places (subject to meeting the entry requirements) in the order of priority listed below. It is anticipated that the **total** number of external applicants the school can admit each year is 45:

1. Looked after children or children who were previously looked after but ceased to be so because they were adopted or became subject to a residence or special guardianship order on roll in Year 11 at any school.
2. Students on roll in year 11 at IGS.
3. Students on roll in year 11 at other schools who live within the school's priority admission area* and who have siblings who reside at the same address, who are at present in year 7-10 at IGS and who will still be attending IGS at the time of admission. (in-area siblings)
4. Other Year 11 students who are on roll at other schools who live in the school's priority admission area*
5. Students on roll in Year 11 at The Skipton Academy
6. Students in Year 11 at other schools, living outside the priority admission area* with siblings residing at the same address, who are at present in Year 7-10 at IGS and who will still be attending the school at the time of admission. (out of area siblings)
7. Students in Year 11 at other schools, living outside the priority admission area* who live closest to the school as measured by a straight-line distance.

*As the school has more than one school priority admission area, criteria 3 and 4 above will apply for the whole of priority one and then for the whole of priority two; if there are remaining unallocated places, criterion 6 will then be considered before criterion 7.

This proposal formally recognises the close links between Ilkley Grammar School and The Skipton Academy as partner schools within Moorlands Learning Trust. **NB: In the event of the over-subscription criteria needing to be applied at Post-16, Ilkley Grammar School students who meet the entry requirements will continue to be prioritised.**

Consultation begins on Monday 16th December 2019 and closes on 31st January 2020. Following an analysis of the responses, a report will then be presented to the governors of the academy for a decision to be made to proceed or not.

Any comments or suggestions can be made to the following e mail address: consultation@ilkleygs.co.uk If you wish to send a response by post, please send it to Ilkley Grammar School directly.

PROPOSED AMENDED ADMISSIONS POLICY FOR POST 16: ILKLEY GRAMMAR SCHOOL

ADMISSIONS: POST 16 GUIDELINES

Introduction

Students are at the heart of all we do and we are committed to helping our young people find appropriate courses of study post16. The Post-16 provision at Ilkley Grammar School forms part of a wider authority 16-19 provision and we are continually improving our links with other schools and providers to enable this. Whilst we recognise that A levels do not suit all students, on our current site we are not in a position to offer a wider vocational curriculum. We can accommodate 460 students in total in Years 12 and 13.

Ilkley Grammar school has a largely academic post 16; we currently offer 31 level 3 programmes of study including 26 AS / A level courses alongside limited BTEC provision.

We expect all of our students to study at least 3 A levels or equivalent from the curriculum available, supplemented by a programme of enrichment or study of an additional qualification such as EPQ or Core Maths. Many of our students select to study 4 AS/A levels.

Entry Requirements to Sixth Form

The minimum entry requirement for admission to Post-16 is a minimum of 5 grade 4s or equivalent and above at GCSE, including English Language and /or mathematics, at grade 4 as well as meeting any subject specific entry requirements outlined in the prospectus. Other qualifications may be accepted but are treated on an individual basis and if they allow access to appropriate courses.

We are aware that exceptional circumstances do sometimes affect students' grades. As such it may be that we make an offer to a student who does not achieve or is not expected to achieve the entry requirement if it is clear that they are capable of A-Level study. These exceptional circumstances are dealt with on an individual basis and only in consultation with our Post 16 Team. Examples of exceptional circumstances include long term illness, close family bereavement in the examination season etc.

Application Procedure

- a) An open evening is held in November each year for prospective students and parents.
- b) All interested students will then be invited to a "Taster Day" where students can experience lessons at AS.
- c) Students are then asked to apply formally on the school's application form, which can be downloaded from the school website or obtained from the school. Students should attach evidence of their predicted grades at GCSE
- d) All applicants will be invited to a meeting which will provide guidance on particular courses; guidance will be personalised in line with the student's predicted grades and Year 11 mock examination scores.
- e) All applications must be submitted before the relevant year's closing date. The closing date for receipt of applications for the academic year will be published in advance each year and students notified.

Oversubscription Criteria

Where there are more applications than places, students will be offered places (subject to meeting the entry requirements) in the order of priority listed below. It is anticipated that the **total** number of external applicants the school can admit each year is 45:

1. Looked after children or children who were previously looked after but ceased to be so because they were adopted or became subject to a residence or special guardianship order on roll in Year 11 at any school.
2. Students on roll in year 11 at IGS.
3. Students on roll in year 11 at other schools who live within the school's priority admission area* and who have siblings who reside at the same address, who are at present in year 7-10 at IGS and who will still be attending IGS at the time of admission. (in-area siblings)
4. Other Year 11 students who are on roll at other schools who live in the school's priority admission area*
5. Students on roll in Year 11 at The Skipton Academy
6. Students in Year 11 at other schools, living outside the priority admission area* with siblings residing at the same address, who are at present in Year 7-10 at IGS and who will still be attending the school at the time of admission. (out of area siblings)
7. Students in Year 11 at other schools, living outside the priority admission area* who live closest to the school as measured by a straight-line distance.

*As the school has more than one school priority admission area, criteria 3 and 4 above will apply for the whole of priority one and then for the whole of priority two; if there are remaining unallocated places, criterion 6 will then be considered before criterion 7.

Late Applications

Applications received after the closing date will be placed on a waiting list and will be considered after those received on time.

Offer of Places

Students will receive a conditional offer in April. Applicants will be required to formally accept their place on GCSE results day in August. Any applicant who cannot be offered a place will also be notified.

Allocation to Courses

This will be done on the basis of GCSE results achieved and subject specific criteria. Class sizes will be set appropriately for the nature of the subject.

Waiting Lists

If there are more applicants than places, those applicants who have been unsuccessful may request to be placed on a waiting list which will be kept until December of that year. Places may become available, for example if students do not achieve the results they need or applicants decide to take up an offer of a place elsewhere. Any available places will be offered in accordance with the oversubscription criteria above.

Appeals

Any unsuccessful applicant may appeal to an independent appeals panel. Parents or students wishing to do so should contact the school.

Ilkley Grammar School Current Priority 2 Area

Proposed change to Ilkley Grammar School Admissions Priority Area 2

Careers & Apprenticeship Fair

Monday 3rd February 2020 from 4pm - 8pm

First Direct Arena in Leeds once again host the largest apprenticeship exhibition in the north. Over 100 companies will be recruiting apprentices, you're advised to go along and find out what they have to offer and the amazing Apprenticeship opportunities available.

View last year's event at:

<http://www.startinleeds.com/leeds-apprenticeship-recruitment-fair-2020-2/>

No appointment needed, just turn up at the event!

Students, parents & carers ALL welcome

F @leedsapphub

Twitter #larf2020

If you have any questions or queries, please see Mrs K Mitchell, Careers Leader in C10

CeleBRate

The last day of term in December brought lots to celebrate with students in our traditional end of term Celebration Assemblies led by Heads of Year. Nominations were made by each subject lead for Achievement, Progress and Resilience across all year groups. In addition, each Tutor nominated students who had demonstrated their Personal Best through their tie values or who had been actively involved and committed to Personal Best Time this term. This is just the pinnacle of students' achievement in the Autumn Term at Ilkley Grammar School – there is much more to celebrate in addition to this - extra-curricular achievements and 100% attendance for students were also commended. We are also extremely proud that collectively as a school, we raised over £5861 (and still counting) for our nominated charities in Charities Week. Well done to all students and staff for their phenomenal efforts last term!

Year 10: Reverse Advent Appeal

By Mr M Carr: PE; Progress and Experience Leader: Year 10; Student & Community Co-ordinator

James Boyle, Jack Ezard, Poppy Herrington, Rosie Wilson, Charlotte Pashley

During advent a member of each tutor group in Year 10 took it in turns to bring in a non-perishable item that could be donated to a foodbank.

The Year 10 tutor groups collected over 300 items for the Reverse Advent Appeal during December. The items were delivered to the Methodist Church in Burley in Wharfedale where they were added to the other 10,000 foodbank items collected locally and distributed to 8 organisations in Leeds and Bradford, supporting refugees, asylum seekers and the homeless. This included the Refugee Action charity which IGS are going to be supporting again this term. More information to follow.

Thank you so much for your contributions Year 10 and hopefully this is something the whole school will be supporting next Christmas.

Exploring Biology

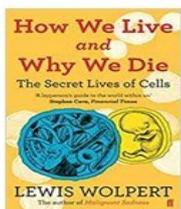

Each half term the Biology department produces a list of resources for KS4 and KS5 students to develop and explore the science around them. There are fiction and non-fiction books, as well as podcasts, websites and videos, so there is something for everyone. Reading around a subject or getting stuck into a podcast can help to deepen understanding and enhance lateral thinking, as well as keeping students on top of all the latest research.

The Biology department has a small collection of books that are loaned out to students, but we would love more books so that more students can benefit from these resources. If you have any popular science books on your shelves that you no longer want, we would love to put them to use! Please get in touch with Miss Foster (ruth.foster@ilkleygs.co.uk) if you have spare books or any questions.

BIOLOGY SUPER CURRICULAR LIST

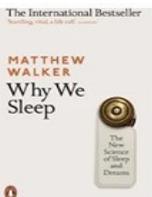

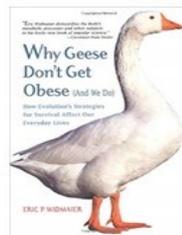

Want to know more? Fascinated by a particular topic? Want to develop your understanding?

NON-FICTION

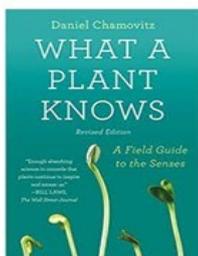

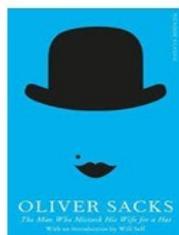

HOW WE LIVE AND WHY WE DIE Tells the story of how all life evolved from just one cell. If you are interested in stem-cell research, cloning and DNA this is a great introduction.

WHY GEESE DON'T GET OBESE If we had the metabolism of a shrew, we would need to consume the equivalent of 50 Christmas dinners a day. If you want to know how animals have evolved to survive, this one is for you.

WHY WE SLEEP A fascinating and terrifying journey through our current understanding of sleep and dreams. If you have ever lain awake thinking about why we need to sleep, this one might be for you.

THE MAN WHO MISTOOK HIS WIFE FOR A HAT Oliver Sacks has become the world's best-known neurologist. His case studies of broken minds offer brilliant insight into the mysteries of our consciousness.

WHAT A PLANT KNOWS Plants are so much more than inanimate objects. If you have ever wondered how a Venus Fly trap knows when to shut, or how plants time their flowering, then this book will open up some of the mysteries of the plant world around us.

WEBSITES

A great place to keep up to date on current biology findings is **The Day**. Recent articles include World-ruling ants and artificial wombs.

All welcome

SPORTS RESULTS

On Thursday 19th December as part of the school's charities week the Year 11 girls' netball team played against a team of Year 11 boys, made up of members of the school's rugby and football teams.

The match took place in the sports hall at lunchtime and spectators were charged 50p to watch. All money raised has been donated to Cancer Research UK.

It was a great game, played in good spirit with the Year 11 girls' netball team coming out as 5-2 winners.

Well done everyone for taking part!

FAQs answered at place2be.org.uk/text

Please be mindful of other pedestrians when leaving school.

Just a reminder when leaving school, particularly by the bottom gate, to be mindful of pedestrians coming the other way. It can be difficult to walk against a tide of students, especially if you are in groups stretching right across the pavement.

Thank you.

NEW MUSICAL THEATRE CLUB

Want to sing, dance, act and perform in the IGS Spring Concert?

Then this club is FOR YOU!

Open to ALL years.

Join Miss Clift & Miss Stephens in B7 on Thursdays after school until 4:15pm.

STARTING NEXT WEEK

23rd Jan

Let's sing!

Let's dance!

Let's act.... Just for fun!

Tickets: £12.00 • £10.00 • £6.00

01943 609539 or www.ilkleyplayhouse.co.uk

HUMBLE BOY

by Charlotte Jones

Hamlet as a comedy? You must be joking? Well listen to the plot and see what you think:

Felix Humble is drawn back to the family home after the death of his father, a biology teacher and amateur beekeeper. Felix is an astrophysicist who discovers that solving the riddle of his emotional life is much more challenging than his professional quest for a unified string theory. There in the English country garden, we find his mother Flora who has moved on all too quickly with her life after the death of her husband. She is giving her undivided attention to her old friend George, whose daughter Rosie Felix once courted. And there you have it; the cast of *Hamlet* is pretty much assembled.

But this is after all a comedy, so *Humble Boy* is much more straightforward and concludes with an 'ahh' factor ending which of course cannot be said of the troubled Dane.

An enjoyable summer's break on a cold January evening.
