## **Coronavirus Update 2**

Dear parents / carers,

Further to our communication earlier today, we still await clarification from the Cabinet Office as to who constitutes a 'key worker'. Once we have further information, we will issue a survey as needed tomorrow, in order for us to ascertain eligibility and confirm childcare arrangements from Monday and would ask you to reply to this as promptly as possible if it applies to you.

For all other students, our remote working plans will begin from Monday morning as outlined in our assemblies yesterday, so can I please take this opportunity to ask you to double check tonight that your children can access their school emails and Showbie from home.

In light of the announcements about the cancellation of GCSE and A Level exams last night, and following my email to Year 11, 12 and 13 students, we will provide some further guidance and information to those year groups about what we now expect with regards to remote working for them.

We will be open again to all year groups tomorrow for one last time for now, and would like to take this opportunity to express how proud we are of the conduct and resilience of IGS staff and students in what are uncertain and challenging times.

Thank you for your continued support.

**Ilkley Grammar School**
