

Dear IGS students,

Firstly, we want to say a huge well done to you all for coping so well with your new mode of learning. We are really proud of how resilient and independent you have been; your teachers have fed back that they have had some wonderful work submitted and the vast majority of you are completing the work set to the best of your ability.

The most important thing you can do right now, for your family and our whole community, is to follow the government advice to stay at home. We understand that staying busy during the Easter holidays and on weekends may be challenging so we've compiled a handy list of activities and resources on our school website to keep you entertained.

Just find the new 'Support & Resources' page in the 'Students' section of our school website [here](#) and below and browse the different sections until you find something you'd like to try.

You will find a range of links and inspiration to keep you busy and hopefully to suit a range of interests! We will do our best to update this after the holidays with more suggestions about how you can keep busy whilst staying safe.

CORONAVIRUS SUPPORT & RESOURCES

The most important thing you can do right now, for your family and our whole community, is to follow the government advice to stay at home. We understand that staying busy during the Easter holidays and on weekends may be challenging so we've compiled a handy list of activities and resources to keep you entertained.

We would like to wish you all a wonderful Easter and look forward to seeing you all (remotely!) after the break on Monday 20th April.

Take care,

Mrs Capstick and the IGS team
