

Dear all

I just wanted to take the opportunity to email you all before the Easter holiday.

We are all in a very different and difficult world but we are doing everything we can to support you with your education and your welfare.

A few reminders from me.

You will see from Mrs. Capstick's email that we have uploaded lots of ideas and activities to the school website [here](#), to help keep you busy over the next couple of weeks when there will be no daily lessons from your teachers. Have a look and give them a try.

If you haven't managed to complete all the work that had been set for you so far, then you could also take the opportunity over the next couple of weeks to catch up on this. Although your teachers will not be answering emails over the next two weeks as they are taking their holiday break like you, if you still have any problems with individual pieces of work once daily lessons resume online again on Monday 20th April, then email your subject teachers then who will gladly help you.

In the meantime, if you are having any wider problems at home over Easter, with your welfare or mental health, then email your Head of Year who will be keeping an eye on emails – though please be aware they will only reply if it is urgent.

We will do everything we can to help you. The place2Be team are also available and you can arrange contact with them via your Head of Year. There are lots of details available on their website [Place2Be](#)

I have also attached a PDF with some self-help apps and websites that are really helpful. The school twitter feed @ilkleygrammar also has lots of hints and tips to keep yourself occupied and happy.

Lastly, have a good rest over the Easter break.

My very best wishes to you all and please keep yourself and your family safe.

Kind regards

Mr Calvert
