DEBATING

Debating is at the heart of law and politics. It is how laws are passed and critical decisions made. Why not learn how to do it here at IGS? Debating club gives students the chance to engage with a range of controversial issues that matter in the real world. By arguing your case for or against a motion, you get to build research, language, reasoning and speaking skills, which is why universities are so interested in students who have experience in debating. IGS won the Debating Matters Yorkshire Championship in 2017 – can you help repeat this success?!
Attend debating club once a week. Take part in formal debates. Take part in inter-school competitions. Help to develop the debating skills of students younger than you.
