

## FICTION:

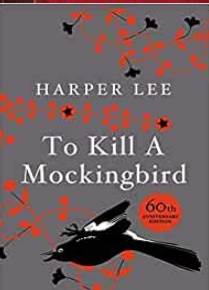

**One flew over the Cuckoo's nest by Ken Kesey.**

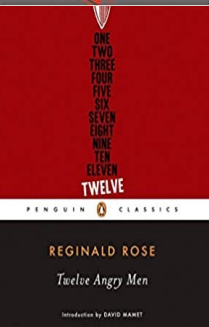

A modern classic. Set in an Oregon Psychiatric hospital the book explores issues such as institutionalization, labelling, behaviorism, Electroconvulsive therapy and drug

Sherlock Homes by Sir Arthur Conan Doyle Sherlock Holmes is a **private detective who has keen powers of observation**. He lives at 221b Baker Street in London. He notices things that others simply don't and then he draws accurate conclusions about what he sees. He experiences strong mood swings, plays the violin, and is a master of deductive reasoning.

To Kill a Mockingbird by Harper Lee Many residents of Maycomb are racists and during the novel **Atticus is asked to defend Tom Robinson, a black man wrongly accused of raping** a white woman. Atticus takes on the case even though everyone knows he has little hope of winning.

Twelve angry men by Reginald Rose A blistering character study and an examination of the American melting pot and the judicial system that keeps it in check. Reginald Rose deliberately and carefully peels away the layers of artifice from the men and allows a fuller picture to form of them--and of America, at its best and worst.

### 50 FACTS EVERYONE SHOULD KNOW ABOUT CRIME & PUNISHMENT IN BRITAIN

JAMES TREADWELL & ADAM LYNES

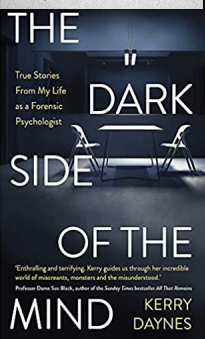

**50 Facts Everyone Should Know about Crime & Punishment: The Truth Behind The Myths** (Treadwell & Lynes, 2019)  
A book that presents 50 key facts related to crime and criminal justice policy in Britain. Offering thought-provoking insights into the study of crime, revealing the myths and realities of crime in contemporary Britain.

**The New Jim Crow** by Michelle Alexander  
In a bold and innovative argument, a rising legal star shows readers how the mass incarceration of a disproportionate number of black men amounts to a devastating system of control.

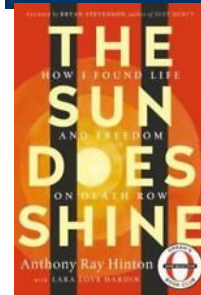

**My Life with Murderers** by David Wilson  
tells the story of David's journey from idealistic prison governor to expert criminologist and professor. With experience unlike any other, David's story is a fascinating and compelling study of human nature.

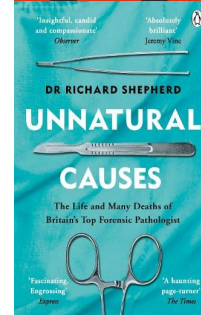

**The Dark Side of the Mind** by Kerry Daynes  
Welcome to the world of the forensic psychologist, where the people you meet are wildly unpredictable and often frightening. The job: to delve into the psyche of the convicted men and women to try to understand what lies behind their often brutal actions.

## NON-FICTION

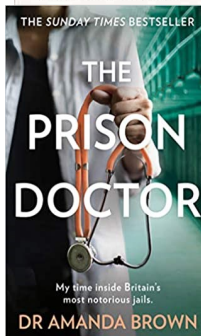

**THE SUN DOES SHINE** by Anthony Ray Hinton  
Anthony Ray Hinton was poor and black when he was convicted of two murders he hadn't committed. For the next three decades he was trapped in solitary confinement in a tiny cell on death row.

**Unnatural Causes** by Doctor Richard Shepherd  
A uniquely powerful account of the life of a forensic pathologist puts the mystery of unexplained death front and centre. Through notorious and neglected cases that he has worked on, Shepherd reveals the methods of his trade, the emotional toll of his work and the crucial importance of his calling.

**The Lucifer Effect** by Philip Zimbardo—How good people turn evil  
Philip Zimbardo, examines how the human mind has the capacity to be infinitely caring or selfish, kind or cruel, creative or destructive. He challenges our conceptions of who we think we are, what we believe we will never do - and how and why almost any of us could be initiated into the ranks of evil doers.

**The Prison Doctor** by Amanda Brown  
Horrorifying, heartbreaking and eye-opening, these are the stories, the patients and the cases that have characterised a career spent being a doctor behind bars.
