Theatre Studies	Antonia Karimi

The following Exceptional Attainment students achieved the highest average points scores across the curriculum based on their A Level results. Our Outstanding Progress awards recognise the students with the highest progress scores based on the value added from GCSE to A Level. The Progress Awards recognise the group of students who travelled the greatest distance over the course of years 12 and 13. Many of these students have also secured outstanding attainment.

We are fortunate at Ilkley Grammar School to have so many students with excellent achievement and all students deserve our praise and admiration as well as those who have been awarded prizes.

Exceptional Attainment:

Srosh	Akbari
Lily	Anderson
Isaac	Bullen
