

ILKLEY GRAMMAR SCHOOL

A MOORLANDS LEARNING TRUST ACADEMY

Hello year 6 – soon to be year 7 at Ilkley Grammar School!

We hope that you are excited about arriving at IGS as our brand-new green ties in September 2025. I know that our Maths teachers are really looking forward to meeting you and getting to know you all.

I am sure that by now you are already aware of Edulink, our online rewards system. This will be used to award you achievement points whenever you produce a great piece of work or showcase a strong level of effort or resilience and lots of other things.

So, ahead of your arrival in September, we would like to set you a challenge. This is an optional task, but it is a great opportunity to impress your new Maths teacher when you arrive at IGS and help them get to know you a little bit. It is also a fantastic chance for you to earn yourself some achievement points straight away!

As our new Year 7 in 2025, your challenge is to produce a poster about your favourite type of Maths. We would like this to be an A4 poster and, while you are free to approach this challenge however you would like, we would like you to try and make sure it is eye-catching and informative.

Some of the things that you might want to include are:

- An example of your favourite type of Maths
- An explanation
- Any links to the real world
- Any pictures that link to it
- Any historical links
- Any other ideas you may have

Please bring your completed poster to your first Maths lesson in September. Make sure that you add your name on to the back of the poster so that your teacher knows who to award achievement points to (there may even be extra points for the very best ones).

Good luck with your poster and enjoy your Summer break.

See you in September!

Mr Nahl
Head of KS3 Maths

Headteacher: Mrs Carly Purnell – Ilkley Grammar School

Cowpasture Road Ilkley West Yorkshire LS29 8TR t: 01943 608424 e: admin@igs.mlt.co.uk
