What Do Parents/Carers Say?

Over the past 7 years, **[our daughter]** has **flourished at IGS**, developing a wide circle of friends and core group of close friends; **growing in confidence and expanding her comfort zone, through a variety of extra-curricular activities**, such as Hub Helper and Sports Leader, and participation on the French Exchange and NCS; and last, but not least, **achieving outstanding academic results at both GCSE and A level. IGS truly has helped [our daughter] achieve her Personal Best.**

I wanted to pass on my huge thanks to everyone at IGS as M finishes year 13. **She genuinely has enjoyed her time at school so much and made such wonderful memories** and that is all thanks to the fantastic staff who gave helped and supported her since year 7! I am extremely grateful for all the staff who have gone that **extra mile over the years**, listening to her, marking extra papers, advising her, stretching her, giving her **the opportunity to shine and reach her full potential**. The staff who have taught her have made it a joy and a privilege.

What brings us particular pleasure has **been the growth ...in [our son's] confidence** - from presenting the wreath at the Menin Gate to playing with a scratch band with a professional group. . . to commuting on his own to work experience. **We really appreciate the wider opportunities and encouragement that he has received from the school.**

I just wanted to thank the team at IGS for everything you have done for my son ... I've personally been extremely grateful to **know how cared for he has been at school and how safe you have made him feel**. I think it's meant more to him than we'll ever know and everything you have done has really helped all of us navigate this tricky period.

We wanted to write and pass on our gratitude for the **exceptional experience** you have given [our child] during his secondary education. **The teaching staff are amazing...**We would also like to acknowledge the **work of the support and pastoral teams**. . . **who were there when needed**. . . , sometimes just keeping an eye out but we always felt you are **not only looking after his education but his emotional development as well.**
