

ILKLEY GRAMMAR SCHOOL

A MOORLANDS LEARNING TRUST ACADEMY

HOME SCHOOL AGREEMENT 2026-27

We are committed to working in positive partnership and collaboration, recognising the critical relationship between home and school. By positively working together, we can most effectively support, challenge and encourage all students to aim high, model our values and achieve high standards in line with their Personal Best.

The Teachers will:

- provide a knowledge-rich, well-sequenced curriculum
- understand content, specifications, curriculum and have strong subject knowledge
- ensure that the individual needs of students are met
- create a productive learning environment, using clear routines and setting high expectations
- know their students and their individual needs
- scaffold and adapt learning to support all students to learn effectively
- Support students to secure foundational learning especially in literacy, vocabulary and numeracy
- make reasonable adjustments to meet the diverse needs of students
- use feedback and assessment to inform teaching, learning and raise achievement
- anticipate and address misconceptions
- use 'best bets' from educational research to inform their teaching
- seek to develop new approaches to learning based on best practice and new technologies (including assistive technologies)
- use Edulink in order to celebrate achievement and record behaviour points
- set homework opportunities to support home learning and facilitate practice
- provide opportunities and experiences for students which support their personal development so students grow in wisdom and stature
- work in partnership with parents/carers
- support students who have been absent from lessons to keep up with the curriculum as appropriate

All staff will:

- work positively as a team to enable all students to thrive and belong
- model and promote the school values: respect, courage, responsibility, kindness, resilience and pride
- create a safe and supportive learning environment built on positive relationships and high expectations
- promote excellence and high standards
- support, challenge, value and care for our students so they can achieve their Personal Best
- communicate clearly and positively with parents/carers in line with our communications policy
- be reflective and seek to improve and learn
